AUTHORS AND INVESTIGATORS

- Abrams, H. L.**, radiology series, (1), 81; (2), 53; (4), 83; (6), 67, ed
- Ackerman, L.**, symposium: parathyroid disorders, (6), 76
- Ackermann, J. R.**, bilateral nephrectomy before cadaver renal transplantation, (4), 75, a
- Adams, D. F.**, control of gastrointestinal hemorrhage using angiographic catheters, (6), 67, a
- Aliabadi, P.**, control of gastrointestinal hemorrhage using angiographic catheters, (6), 67, a
- Amblavagar, M.**, endotracheal cytology in anesthesia and trauma, (5), 81
- Amin, I.**, functional neurosurgery at St. Barnabas, (6), 32, ios
- Anderson, M. C.**, symposium on biliary tree surgery, (5), 90
- Austen, W. G.**, Massachusetts General Hospital, (1), 35, ios
- Avioli, L.**, symposium: parathyroid disorders, (6), 76
- Ballinger, W. F.**, Barnes Hospital: balancing care and basic research, (2), 31, ios
symposium: parathyroid disorders, (6), 76
- Bass, A. G.**, tumors of small intestine, (2), 54, a
- Beattie, E. J. Jr.**, cancer regimens at Memorial Hospital, (5), 22, ios
- Bewick, M.**, managing lung transplant patient, (1), 25, a
- Bingham, H. G.**, University of Florida College of Medicine, (4), 29, ios
- Block, G. E.**, symposium on biliary tree surgery, (5), 90
- Bora, F. W. Jr.**, collagen control, (2), 62
- Bricker, E. M.**, Barnes Hospital: balancing care and basic research, (2), 31, ios
- Buckley, M.**, Massachusetts General Hospital, (1), 35, ios
- Buncke, H. Jr.**, plastic surgery and burns: summary ACS meeting, (1), 20
- Burke, J. F.**, Massachusetts General Hospital, (1), 35, ios
- Cahan, W. G.**, cancer regimens at Memorial Hospital, (5), 22, ios
- Carlton, C. E. Jr.**, renal injuries: advances in diagnosis and treatment, (6), 25, a
- Cawood, C. D.**, renal injuries: advances in diagnosis and treatment, (6), 25, a
- Chalon, J.**, endotracheal cytology in anesthesia and trauma, (5), 81
- Childress, H. M.**, popliteal cysts in patients of all ages, (2), 46, a
- Chretien, P. B.**, symposium: sarcoma (1), 88
- Clowes, G.**, adult RDs, (6), 11, ed
- Cockett, A. T. K.**, urology: summary ACS meeting, (1), 24
- Cole, B. C.**, Bethesda Naval Hospital, (3), 41, ios
- Cooper, I. S.**, physiologic neurosurgery at St. Barnabas, (6), 32, ios
- Cope, O.**, Massachusetts General Hospital, (1), 35, ios
- Cullum, P. A.**, managing lung transplant patient, (1), 25, a
- Daicoff, G. R.**, University of Florida College of Medicine, (4), 29, ios
- Darling, R. C.**, Massachusetts General Hospital, (1), 35, ios
- DeSanctis, R. W.**, Massachusetts General Hospital, (1), 35, ios
- Dolorico, V. N.**, endotracheal cytology in anesthesia and trauma, (5), 81
- D'Orsi, C. J.**, mammography: diagnosis of breast carcinoma, (1), 82, a
- Drylie, D. M.**, University of Florida College of Medicine, (4), 29, ios
- Edgerton, M. T.**, plastic surgery and burns: summary ACS meeting, (1), 20
- Efron, G.**, symposium: ulcerative colitis and Crohn's disease, (3), 84
- Enneking, W. F.**, University of Florida College of Medicine, (4), 29, ios
- Evans, F. O. Jr.**, endocarditis, surgical aspects, (3), 51, a
- Exelby, P. R.**, cancer regimens at Memorial Hospital, (5), 22, ios
- Finlayson, B.**, University of Florida College of Medicine, (4), 29, ios
- Fisher, B.**, tumors: summary ACS meeting, (1), 20
- Fortner, J. G.**, cancer regimens at Memorial Hospital, (5), 22, ios
surgical approach to pancreatic cancer, (4), 15
- Fraley, E. E.**, urology: summary ACS meeting, (1), 24
- Gallich, J. H.**, cancer regimens at Memorial Hospital, (5), 22, ios
- Glotzer, D. J.**, symposium: ulcerative colitis and Crohn's disease, (4), 84
- Goldberg, M. F.**, retinal hemorrhage following pneumoencephalography in an infant: a case report, (6), 15, a
- Goldberg, S. M.**, advantages of closed hemorrhoidectomy, (6), 15
- Goldsmith, H. S.**, symposium: sarcoma, (1), 88
- Gordon, M.**, urologic complications of abortion by suction curettage, (6), 62, a
- Greenburg, A. G.**, acute surgical disease of abdomen: conservative management, (2), 73, a
- Greene, W.**, *Pseudomonas* infections in cancer patients, (1), 67, a
- Grillo, H. C.**, Massachusetts General Hospital, (1), 35, ios
- Guthrie, R. H. Jr.**, cancer regimens at Memorial Hospital, (5), 22, ios
- Haagensen, C. P.**, lymphatics in cancer, (5), 11, ed
- Haimovici, H.**, metabolic complications of acute arterial occlusions, (4), 63
- Hallenbeck, G. A.**, gastrointestinal biliary conditions: summary ACS meeting, (1), 19
- Harris, W. H.**, Massachusetts General Hospital, (1), 35, ios
- Haynes, W. G.**, primary care of peripheral nerve injuries, (4), 22, a
- Hendren, W. H. III**, symposium: hernia management in infants and children, part I, congenital diaphragmatic problems, (4), 90
Massachusetts General Hospital, (1), 35, ios
- Hessel, S. J.**, mammography: diagnosis of breast carcinoma, (1), 82, a
- Hoffer, P. B.**, bone scan to detect skeletal lesions, (5), 15, a
- Howards, S.**, ultrasonic therapy of renal stones, (5), 12, ed
- Hugh-Jones, P.**, managing lung transplant patient, (1), 25, a
- Hunter, J. A.**, identical congenital heart defects in twins, (5), 77, a
- Huvos, A. G.**, autogenous vaccines in treatment of osteogenic sarcoma, (4), 54, a
- Jaffe, B. M.**, Barnes Hospital: balancing care and basic research, (2), 31, ios
- Johnson, D. G.**, symposium: hernia management in infants and children, part I, congenital diaphragmatic problems, (4), 90
- Jolly, P. C.**, symposium on biliary tree surgery, (5), 90
- Kelser, H.**, collagen control, (2), 62
- Kennett, S.**, premalignant lesions of the mouth, (5), 55, a
- Ketcham, A. S.**, symposium: mela-

 Zargham, I., endotracheal cytology in anesthesia and trauma, (5), 81

SUBJECTS

ABDOMINAL INJURIES

acute surgical disease of abdomen: conservative management, (2), 73

ABDOMINAL SURGERY

acute surgical disease of abdomen: conservative management, (2), 73

ABORTION

Complications: urologic complications of abortion by suction curettage, (6), 62, a

ABORTION, LEGAL

gynecology and obstetrics, summary ACS meeting, (1), 13

ABSTRACTING AND INDEXING

keeping up with new material, (4), 11, ed

ACID-BASE EQUILIBRIUM

managing cardiac arrest, (2), 15, a

ACUPUNCTURE

neurologic surgery, summary ACS meeting, (1), 12

AMPUTATION

symposium on sarcoma, (1), 88

ANASTOMOSIS

technique for bowel, (6), 105, a

ANESTHESIA, INTRATRACHEAL

endotracheal cytology, (5), 81

ANGIOGRAPHY

celiac artery compression syndrome, (3), 35, a
 control of gastrointestinal hemorrhage, (6), 67, a
 renal injuries, diagnosis and treatment, (6), 25, a

Anti-Arrhythmia Agents see **MYOCARDIAL DEPRESSANTS**

ANTIBIOTICS

Administration and Dosage: endocarditis, surgical aspects, (3), 51, a

ANTILYMPHOCYTE GLOBULIN

transplantation, summary ACS meeting, (1), 11

ANTIPARKINSON DRUGS

physiologic neurosurgery at St. Barnabas, (6), 32, ios

AORTIC VALVE INSUFFICIENCY

endocarditis, surgical aspects, (3), 51, a

ARTERIAL OCCLUSIVE DISEASES

metabolic complications of acute occlusions, (4), 63

ARTERIES

Revascularization: metabolic complications of acute arterial occlusions, (4), 63

Arteriography see **ANGIOGRAPHY**

BALLOON TECHNIQUES

cardiothoracic surgery, summary ACS meeting, (1), 13
 control of gastrointestinal hemorrhage using angiographic catheters, (6), 67, a
 symposium on biliary tree surgery, (5), 90

BARNES HOSPITAL

balancing care and basic research, (2), 31, ios

BETHESDA NAVAL HOSPITAL

clinical and research facility, (3), 41, ios

BILIARY TRACT

Surgery: symposium on biliary tree, (5), 90

BILIARY TRACT DISEASES

symposium on biliary tree surgery, (5), 90

BIOPSY

neoplastic changes of rectum and colon, (2), 11, ed
 symposium on sarcoma, (1), 88

BIRTH RATE

gynecology and obstetrics, summary ACS meeting, (1), 13

BLADDER

Injuries: urologic complications of abortion by suction curettage, (6), 62, a

BLADDER NEOPLASMS

urology, summary ACS meeting, (1), 24

BLOOD

Injuries: membrane oxygenators: status report, (6), 53

BLOOD COAGULATION

Prevention and Control: membrane oxygenators: status report, (6), 53

BLOOD PRESERVATION

status report, (3), 21, a

BLOOD PROTEIN DISORDERS

thyroid and serum protein disorders with Paget's disease, (5), 68, a

BLOOD TRANSFUSION

blood preservation, status report, (3), 21, a
 transplantation, summary ACS meeting, (1), 11

BONE DISEASES

symposium on parathyroid diseases, (6), 76

Radiography: bone scan to detect skeletal lesions, (5), 15, a

BRAIN NEOPLASMS

Surgery: physiologic neurosurgery at St. Barnabas, (6), 32, ios

BREAST DISEASES

Diagnosis: mammography, (1), 82, a

BREAST NEOPLASMS

mammography, (1), 82, a
 Analysis: tumors, summary ACS meeting, (1), 20

Drug Therapy: hormones, (5), 12, ed
 Radiotherapy: at Memorial Hospital, (5), 22, ios

Rehabilitation: at Memorial Hospital, (5), 22, ios

BRONCHOSCOPY

cardiothoracic surgery, summary ACS meeting, (1), 13

BURNS

Therapy: at Massachusetts General Hospital, (1), 35, ios
 plastic surgery, summary ACS meeting, (1), 20

BURNS, INHALATION

endotracheal cytology, (5), 81

BURSA, SYNOVIAL

Surgery: popliteal cysts, (2), 46, a
 Cancer see **NEOPLASMS**

CARCINOEMBRYONIC ANTIGEN

tumors, summary ACS meeting, (1), 20

CARDIOVASCULAR SYSTEM

Surgery: at University of Florida College of Medicine, (4), 29, ios

CATHETERIZATION

control of gastrointestinal hemorrhage, (6), 67, a
 symposium on biliary tree surgery, (5), 90

CELIAC ARTERY

compression syndrome, (3), 35, a

CELL MEMBRANE

making headway against cancer, (2), 11, ed

CEREBRAL PALSY

Surgery: physiologic neurosurgery at St. Barnabas, (6), 32, ios

CERVIX NEOPLASMS

Etiology: at University of Florida College of Medicine, (4), 29, ios
 Surgery: at Memorial Hospital, (5), 22, ios

CHOLANGIOGRAPHY

percutaneous transhepatic, (4), 84, a
 symposium on biliary tree surgery, (5), 90

CHOLECYSTECTOMY

gastrointestinal biliary conditions, summary ACS meeting, (1), 19
 symposium on biliary tree surgery, (5), 90

CHOLECYSTITIS

acute surgical disease of abdomen: conservative management, (2), 73
